CODE OF FAIR COMPETITION
FOR THE
MANGANESE STEEL CASTING INDUSTRY

As Approved on September 14, 1934

ORDER

APPROVING THE APPROVED CODE FOR THE STEEL CASTING INDUSTRY AS THE CODE OF FAIR COMPETITION FOR THE MANGANESE STEEL CASTING SUBDIVISION OF SAID INDUSTRY, AND AMENDING THE DEFINITION OF THE TERM "INDUSTRY" IN SAID CODE

An application having been made pursuant to Administrative Order No. X-61, dated July 10, 1934, by the Manganese Steel Casting Subdivision of the Steel Casting Industry for codification by consolidation under the approved Code of Fair Competition for said Industry, for the approval of said Code as the Code of Fair Competition for said Subdivision as defined in the annexed report on said Code, containing findings with respect thereto and for the amendment of the definition of the term "Industry" in said Code so that said application is in full compliance with Title I of the National Industrial Recovery Act and that said annexed report having been made and directed to the President:

NOW, THEREFORE, on behalf of the President of the United States, I, Hugh S. Johnson, Administrator for Industrial Recovery, pursuant to authority vested in me by Executive Orders of the President, including Executive Order No. 6543-A, dated December 30, 1933, and otherwise, do hereby

- (a) incorporate by reference said annexed report,
- (b) find that said Code complies in all respects with the pertinent provisions and will promote the policy and purposes of said Title of said Act,
- (c) order that said Subdivision be and it hereby is consolidated with said Industry, and
- (d) order that said Code be and it hereby is approved as the Code of Fair Competition for the Manganese Steel Casting Subdivision of the Steel Casting Industry, as said Subdivision is defined in said annexed report,
- (e) order that the definition of the term "Industry" in said Code be and it is hereby amended as follows:

Amend Article II, Section 3 by deleting in the last sentence the word "two" and substituting therefor the word "three", and after the word "specialties" delete the period and substitute therefor a comma and add the following: "and Manganese Steel Casting",

Further, amend Article II by adding the following new Section to be known as *Section 14*:

SECTION 14. The term "Manganese Steel Casting" means that group of steel castings commonly known in the trade under that name and having a manganese content of not less than 10%.

PROVIDED, HOWEVER, that the continued participation of the Manganese Steel Founders' Society in the Code Authority after thirty days from the effective date of this Order shall be contingent upon its amending its Constitution and By-Laws to the satisfaction of the Administrator.

This Order shall become effective 10 days from the date hereof unless prior to that time good cause to the contrary is shown to me and I, by my further order, otherwise direct.

HUGH S. JOHNSON,
Administrator for Industrial Recovery.

Approval recommended:

BARTON W. MURRAY,
Division Administrator.

WASHINGTON, D.C.,
September 14, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: This is a report on the Order approving the Code of Fair Competition for the Steel Casting Industry as the Code of Fair Competition for the Manganese Steel Casting Subdivision of said Industry, and amending the definition of the term "Industry" in the Steel Casting Code.

A Notice of Opportunity to be Heard has been published to all interested parties, and unless due cause to the contrary is shown and I issue subsequent order to that effect, this Order shall take effect ten days after date hereof.

The term "manganese steel castings" means that group of steel castings commonly known in the trade under that name and having a manganese content of not less than ten percent.

It is my opinion that these are kindred industries and the Manganese Steel Casting Group should properly be a subdivision under the approved Code of Fair Competition for the Steel Casting Industry.

The Assistant Deputy Administrator in his final report to me on said Code having found as herein set forth and on the basis of all the proceedings in this matter;

I find that:

(a) Said Code is well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among the trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanctions and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) Said Industry normally employs not more than 50,000 employees; and is not classified by me as a major industry.

(c) The Code as approved complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof; and that the applicant group is an industrial group truly representative of the aforesaid Industry;

and that said group imposes no inequitable restrictions on admission to membership therein.

(d) The Code is not designed to and will not permit monopolies or monopolistic practices.

(e) The Code is not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said Code.

For these reasons, therefore, I have approved this Order.

Respectfully,

HUGH S. JOHNSON,
Administrator.
